This is a Civil Rights Action challenging the constitutionality of the  
Alabama Community Notification Act.

I, Paul Harold Smith, was convicted in 1990 of a sex offense  
in Montgomery Co. Alabama. In 1996 or thereabouts Alabama enacted  
CNA. This enactment and the subsequent enforcement of the laws  
related to this Act, and the application of the laws related to this  
Act to myself and others similarly situated encroach upon plaintiff's  
Constitutional Rights in the following ways:

1. CNA of Alabama violates the Bill of Attainder Clause  
of The United States Constitution. — CNA is a legislative  
exercise of the judicial function in that it embodies a legislative  
determination that those affected by it are mentally ill and dangerous  
and as a result

V. RELIEF

State briefly *exactly* what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.

*Plaintiffs are asking for the following relief: (1) An order from this Honorable Court directing the defendants to provide hearings in the proper tribunal for persons affected by CNA. (2) An order from this Honorable Court that the employment restrictions of CNA are so harsh that they fall within the parameters of prohibited under the Bill of Attainder Clause.*

*3. An order from this Honorable Court that the State of Alabama*

"I declare under penalty of perjury that the foregoing is true and correct.

(Relief Continued)

has created a statute (CNA) which has the effect of imposing and causing public humiliation and shaming. - An order from this Honorable Court that CNA of "Alabama" transcends the boundaries of Ex Post Facto Laws.

4. An order from this Honorable Court directing the defendants to put in place such procedure that are required for Civil Commitment Statutes before applying CNA, to persons the State wishes to reach with this statute.

5. An order from this Honorable Court directing the defendants to nullify or discontinue the presumption mental illness that the duration (lifetime) of CNA is predicated upon and allow persons affected by this statute the same opportunity to apply for release that those persons subjected to similar Mental Health Statutes / Civil Commitment Statutes are afforded.

6. An order from this Honorable Court that CNA of Alabama is so restrictive in nature that it creates a Special Relationship between the persons affected and the State to the extent that the State is rendered obligatory to provide such services as would enable those who are financially unable to comply.

7. Any and all other relief that this Honorable Court deems is just and proper under the premises.

of this determination also imposes an "Order of Conditions" which is the factual equivalent in purpose as the Order of Conditions imposed upon those who are subject to the recognized Civil Commitment Statutes. This violates the Separation of Powers Doctrine of Constitutional Law.

2. CNA of Alabama violates the Ex Post Facto Clause of The United States Constitution. — Because of the manner in which Alabama applies CNA, plaintiffs are exposed to State promoted public humiliation and shaming.

3. Because of the restrictions on Plaintiffs' employment opportunities CNA violates the Bill of Attainder Clause.

4. CNA of Alabama violates the Due Process Clauses of the United States Constitution. — CNA is essentially a Civil Commitment Statute which is being inappropriately applied through the criminal justice system which allows the State to circumvent the procedural protections that such statutes require.

5. CNA of Alabama violates the Equal Protection Clause of The United States Constitution. — CNA is a Civil Commitment Statute which is applied arbitrarily. Not only is CNA predicated upon a presumption of continued mental illness, but it also has no provision for release from the Conditions it imposes.

6. CNA of Alabama violates the Substantive Component of the 14th Amendment's Due Process Clause. — Because of the severity of the restrictions imposed by CNA, the State of Alabama has created a statute which renders those affected by it unable to care for themselves and has therefore created a Special Relationship which the State refuses to recognize.
